- B. There are no other costs directly or indirectly, associated with this resolution.
- C. There are no additional or subsequent obligations or expenses for which Shelby County will ultimately be responsible.

III. Additional Information Relevant to Approval of this Item

- A. There is a cost to the County for this activity.
- B. This agreement is to provide funding for a vanpool/rideshare project to improve air quality in the County.
- C. The scope of work will be in four (4) project areas:
- Diesel Retrofit
 - Air Quality Outreach
 - Ozone alert days
 - Rideshare/Vanpool
- D. Contract term began upon execution of the contract (February 25, 2009) and ends July 1, 2013, with the ability to extend by permission.

- F. The program contained in this grant and administered by the Air Quality Improvement Branch Section (AQIB) will reduce transportation based air pollution and traffic congestion. AQIB will do this by providing subsidized transit, carpool and vanpool options, providing air quality education to engage the public in methods they can use to improve air quality, working with MATA on high ozone days to provide subsidized transit fares and promotion of the same, and providing funding to retrofit diesel fleets.**
